

Hertingfordbury Parish Council

Grants Policy

Hertingfordbury Parish Council has a small budget for the award of grants.

The Council uses its power to assist in projects which Members feel will be of benefit to the local area. Grant applications are considered at the next possible meeting of the Council after receipt of the completed application form. Applications must meet the Council's grants criteria in this respect. Please read the terms and conditions before applying for a grant.

The application form is available in two formats:

A Word document: Grant Application Form in Word format. The application may be submitted by email

An PDF document: Grant Application Form in PDF format. The grant application form should be printed, completed by hand and signed.

All applications must be accompanied by appropriate accounts or supporting financial information. Forms and the supporting information must be returned to the Clerk to the Council at least 10 days before the date of a Council meeting.

TERMS AND CONDITIONS FOR GRANT APPLICATIONS:

General criteria – these apply to all applications:

- (1) Each application to be considered on its merit; the amount of grant will be at the discretion of the Parish Council but will not normally exceed forty per cent of the approved cost.
- (2) The Parish Council has the discretion to make a maximum grant of £500 on any single project.
- (3) The purpose for which the grant is made must be in the interest of the Parish or any part of it or all or some of the inhabitants of the parish. The area is defined by the boundaries of the Civil Parish. The benefit to the area or inhabitants must be commensurate with the expenditure. Groups both within the Parish Council's area and those outside the Parish which can demonstrate direct benefit to the parish may apply.
- (4) Organisations and groups will be expected to contribute some of their own funds to the project, although a set percentage has not been set.
- (5) The Parish Council will endeavour to treat similar projects equitably.
- (6) The Parish Council will take into account any previous grant made to an organisation or group when considering a new application.
- (7) No grant to be payable to or for any commercial venture for private gain.
- (8) Retrospective applications will not be funded. This means a grant cannot be made where the expenditure or project has been carried out or the event has taken place.
- (9) The Parish Council cannot give financial assistance to individuals under this scheme.

Applications for support for a Commemorative Event or Festival

- (1) The application must relate to a community event, a festival or special event in commemoration and be held within the local area.
- (2) Preferably, the application should be for support for specific identifiable elements of the event or festival, rather than towards general running costs.

Applications for support for Capital Expenditure or single Project

- (1) The application must relate to some specific item of capital expenditure or a stand alone project and not to any regular item or maintenance or other revenue item, such as utility or staffing costs.

 - (c) Such report must be submitted within two months of purchase of the capital equipment, or completion of the project or event for which the funding was awarded.
